

## ML Resources

- Udacity Courses:
  - [Intro to ML](#)
  - [DL with PyTorch](#) (We will be referring this one a lot)
- University Certifications:
  - [DL Specialisation](#)
  - Neural Style Transfer Guided Project  
[Guided Project](#)  
[Deep Learning with PyTorch : Neural Style Transfer](#)
- YT Tutorials:
  - Neil Rhodes: [CS152](#)  
For style transfer.
  - Codebasics - [DL Playlist](#)

**Note:** Apply for financial aid for coursera courses. It takes about 14 days to receive the course so please plan out accordingly. Till then you can refer the free resources.
